

## EDUCATION DEPARTMENT [281]

### Notice of Intended Action

Pursuant to the authority of Iowa Code section 256.7(5), the State Board of Education hereby proposes to amend Chapter 97, "Supplementary Weighting," Iowa Administrative Code.

2008 Iowa Acts, Chapter 1181, sections 44 through 66, created a new chapter in the Iowa Code, chapter 261E, "Senior Year Plus." The senior year plus program established in legislation provides Iowa high school students with increased access to advanced placement coursework and postsecondary credit. The first 8 items address the funding of and for the various elements of the program.

Items 9 through 11 amend provisions regarding the supplementary weighting plan for operational sharing. In Item 9, the reference to chapter 28E is stricken because that is not the correct authority for such agreements. In Item 10, the percentages were re-worded because the present wording only works when the district does not add more sharing arrangements. Taking 20 percent of each year is the equivalent of the present wording. New paragraph b clarifies the order of the adjustments and phase outs. Item 11 is amended to give more flexibility to districts that cannot show savings because they are cutting costs across all functions, including cutting instructional staff.

An agencywide waiver provision is provided in 281—Chapter 4.

Interested individuals may make written comments on the proposed amendments on or before March 31, 2009, at 4:30 p.m. Comments on the proposed amendments should be directed to Kevin Fangman, Division Administrator, Iowa Department of Education, Third Floor, Grimes State Office Building, Des Moines, Iowa 50319-0146; telephone (515)281-3333; E-mail [kevin.fangman@iowa.gov](mailto:kevin.fangman@iowa.gov); or fax (515)281-7700.

A public hearing will be held on March 31, 2009, from 9 a.m. to noon, originating in the ICN Room on the second floor of the Grimes State Office Building, East 14th Street and Grand Avenue, Des Moines, Iowa, at which time persons may present their views either orally or in writing. Any persons who intend to attend the public hearing and have special requirements, such as those related to hearing or mobility impairments, should advise the Department of Education of specific needs by calling (515)281-5295. These amendments are intended to implement 2008 Iowa Acts, Chapter 1181, sections 45 through 65, and 2008 Iowa Acts, Chapter 1191, section 157.

The following amendments are proposed.

**ITEM 1.** Amend rule **281—97.1(257)**, definitions of “*political subdivision*,” “*regional academy*,” and “*supplementary weighting plan*,” as follows:

“*Political subdivision*” shall mean a political subdivision in the state of Iowa and shall include a city, a township, a county, a public school district, a community college, an area education agency, or an institution governed by the state board of regents (~~Malcom~~ **Malcolm** Price Laboratory School, Iowa Braille and Sight Saving School, Iowa School for the Deaf, Iowa State University, University of Iowa, and University of Northern Iowa).

“*Regional academy*” shall mean an educational program established by a school district to which multiple school districts send students in grades nine through twelve. The curriculum shall include advanced-level courses and, in addition, may include ~~vocational-technical~~ **career-technical** courses, Internet-based courses, and a virtual academy coursework delivered via the ICN. Regional academy courses shall not qualify as concurrent enrollment courses and do not generate any postsecondary credit. School districts participating in regional academies are eligible for supplementary weighting as provided in section 257.11, subsection 2.

“*Supplementary weighting plan*” shall mean a plan as defined in this chapter to add a weighting for each resident student eligible who is enrolled in an eligible class taught by a teacher employed by

another school district or taught by a teacher employed jointly with another school district or sent to and enrolled in an eligible class in another school district or sent to and enrolled in an eligible community college class. The supplementary weighting for each eligible class shall be calculated by multiplying the fraction of a school year that class represents times the number of eligible resident students enrolled in that class times the weighting factor established in Iowa Code.

**ITEM 2.** Amend rule **281—97.1(257)**, by adding the following **new** definitions in alpha order:

“*Career academy*” shall mean a program of study as defined in 281—chapter 47. A course offered by a career academy shall not qualify as a regional academy course. A career academy course may qualify as a concurrent enrollment course if it meets the requirements of section 261E.7.

“*ICN*” shall mean the Iowa Communications Network.

**ITEM 3.** Amend subrule **281—97.2(5)**, as follows:

**97.2(5) Attend class in a community college.** All of the following conditions must be met for any student attending a community college-offered class to be eligible for supplementary weighting under paragraph 97.2(1) “d.”

a. to d. No change.

e. The course must be taught by ~~a teacher for whose services the community college has contracted to specifically teach the class~~ an instructor employed or contracted by the community college who meets the requirements of section 261E.3.

f. No. change.

g. The course must ~~be of the same quality as a course offered on a community college campus~~ result in student work and assessment that meets college-level expectations.

h. The course must not have been determined as failing to meet the standards established by the postsecondary course audit committee.

**ITEM 4.** Amend subrule **281—97.2(6)** by striking paragraph “b” and re-lettering the remaining paragraphs.

**ITEM 5.** Amend subrule **281—97.2(6)**, paragraph “h”, as follows:

~~h. Students taking postsecondary enrollment options (PSEO) courses authorized under Iowa Code chapter 261C are ineligible for supplementary weighting for the PSEO courses.~~

**ITEM 6.** Amend subrule **281—97.2(7)**, introductory paragraph, as follows:

**97.2(7) Whole-grade sharing.** If all or a substantial portion of the students in any grade are shared with another one or more school districts for all or a substantial portion of a school day, then no students in that grade level are eligible for supplementary weighting except as authorized by rule 281—97.5(257). No students in the grade levels who meet the criterion in this subrule are eligible for supplementary weighting even in the absence of an agreement executed pursuant to Iowa Code sections 282.10 through 282.12. A district that discontinues grades pursuant to section 282.7 is deemed to be whole-grade sharing the resident students in those discontinued grades for purposes of these rules.

**ITEM 7.** Amend rule **281—97.4(257)** as follows:

**281—97.4(257) Supplementary weighting plan for a regional academy.**

**97.4(1) Eligibility.** Except if listed under subrule 97.2(6), a resident student is eligible for supplementary weighting if the student is eligible to be counted as a resident student for certified enrollment and if all of the following criteria are met:

a. Two or more Iowa school districts, other than a whole-grade sharing partner district, send students to advanced-level courses that are included in the curriculum of the regional academy, and these students are eligible for supplementary weighting under subrule 97.2(1), paragraph “a” or “c.” In addition, for the host district to qualify for the minimum weighting pursuant to subrule 97.4(4), one or more Iowa school districts, other than a whole-grade sharing partner district, must send students to career-technical classes that are included in the curriculum of the regional academy.

b. and c. No change.

d. The curriculum is an organized course of study, adopted by the board, that includes a minimum of two advanced-level courses that are not part of a ~~vocational-technical~~ career-technical program. An

advanced-level course is a course that is above the level of the course units required as minimum curriculum in 281—Chapter 12 in the host district.

e. and f. No change.

g. Two or more sending districts that are whole-grade sharing partner districts shall be treated as one sending district for purposes of subrule 97.4(1), paragraph “a.”

**97.4(2)** No change.

**97.4(3)** Maximum weighting. The maximum amount of additional weighting for which a school district establishing a regional academy shall be eligible is an amount corresponding to ~~45~~ 30 full-time-equivalent pupils.

**97.4(4)** Minimum weighting. The minimum amount of additional weighting for which a school district establishing a regional academy shall be eligible is an amount corresponding to ~~ten additional 15 full-time- equivalent~~ pupils if the academy provides both advanced-level courses and ~~vocational-technical career-technical~~ courses.

**97.4(5)** Additional programs. If all of the criteria in subrule 97.4(1) are met, the regional academy may also include in its curriculum ~~vocational-technical career-technical~~ courses ~~or a virtual academy, Internet-based courses and ICN courses~~. If the Internet connection for a qualified virtual academy is provided through the ICN, that Internet connection shall be deemed a regional academy class and not an ICN video class pursuant to Iowa Code section 257.11, subsection 6, for purposes of this subrule.

**97.4(6)** Maximum funding. If the sum of the funding amount calculated for all districts operating regional academies under this rule exceeds \$1 million for the school year beginning July 1, 2004, and each succeeding fiscal year, the director of the department of management shall prorate the amount calculated for each district. The proration shall be based upon the amount calculated for each district when compared to the sum of the amount for all districts.

**97.4(7)** October 1, 2007, is the final date that any students may be included for supplementary weighting for an in-district regional academy.

**97.4(6)** A career academy is not a regional academy for purposes of these rules.

**ITEM 8.** Amend subrule **281—97.5(6)**, paragraph “a”, as follows:

a. The progress report shall include, but not be limited to, the following information:

(1) and (2) No change.

(3) If the district is studying ~~reorganization~~ dissolution, information on whether public hearings have been held, a proposal has been adopted, and an election date has been set.

The supplementary weighting shall be assigned to each discrete operational function shared. The maximum number of years for which a supplementary weighting shall be assigned for all operational functions shared is five years.

a. The supplementary weighting for operational functions shared is decreased each year based on the following schedule:

(1) The total supplementary weighting calculated for all operational function sharing in the second year of any operational function sharing, after application of minimum and maximum supplementary weighting, shall be reduced by 20 percent of the total supplementary weighting for all operational function sharing in ~~the first year~~ each of the previous years of any operational function sharing, but not reduced to less than zero.

(2) The total supplementary weighting calculated for all operational function sharing in the third year of any operational function sharing, after application of minimum and maximum supplementary weighting, shall be reduced by ~~40~~ 20 percent of the total supplementary weighting for all operational function sharing

in ~~the first year~~ each of the previous years of any operational function sharing, but not reduced to less than zero.

(3) The total supplementary weighting calculated for all operational function sharing in the fourth year of any operational function sharing, after application of minimum and maximum supplementary weighting, shall be reduced by ~~60~~ 20 percent of the total supplementary weighting for all operational function sharing in ~~the first year~~ each of the previous years of any operational function sharing, but not reduced to less than zero.

(4) The total supplementary weighting calculated for all operational function sharing in the fifth year of any operational function sharing, after application of minimum and maximum supplementary weighting, shall be reduced by ~~80~~ 20 percent of the total supplementary weighting for all operational function sharing in ~~the first year~~ each of the previous years of any operational function sharing, but not reduced to less than zero.

b. The decrease in the total supplementary weighting as described in paragraph "a" shall be applied after any adjustment for minimum or maximum weighting has been applied.
